

# Marine Affairs

**Please Note:**

Prospective job candidates are URGED to check with the respective department, dean, or payroll office for a more detailed description of qualifications. DO NOT apply for jobs via CUPE 3912, but directly with the contact person for each job posting. Some departments may accept applications online; others might not. It is our recommendation that you include a COMPLETE CV with every application, even if it is not requested.

*Jobs are listed newest-to-oldest and expired job postings are periodically archived.*

Part-Time Academic Posting: Department of Oceanography

PART-TIME ACADEMIC POSTING

DALHOUSIE UNIVERSITY

Halifax, Nova Scotia, Canada B3H 4R2

POSTING DATE: 29 November 2013

APPLICATION DEADLINE: 9 December 2013

POSITION: Environmental Impacts in Marine Ecosystems, OCEA  
4335.03/5335.03, BIOL/MARI 4335.03; January 1, to April 30, 2014

DEPARTMENT/LOCATION: Oceanography

PAY RATE: In Accordance with Collective Agreement

WORK ASSIGNMENT: The instructor is responsible to teach this advanced undergraduate-level course on Environmental Impacts in Marine Systems. This course attempts to review the types of environmental problems

occurring in ocean ecosystems. Object-based software (Simile; [simulistics.com](http://simulistics.com)) is used to produce examples of models for simulation of various impacts. A full set of PowerPoint lectures, Simile models, and class assignments are available for use. More advanced material will also be provided to cross-listed graduate students. The instructor will mark assignments that are associated with the lectures. Access to University computing and administrative resources will be available.

**REQUIREMENTS OF POSITION:** Applicants will possess a MSc or PhD in biology or oceanography with some teaching and research experience in marine ecology. A basic knowledge of calculus will be beneficial. He/she will also have demonstrated ability in lecturing to students at both the undergraduate and graduate level. First-time applicants to the Department of Oceanography must provide the names of two references.

IF YOU ARE INTERESTED IN THE ABOVE POSITION, PLEASE APPLY IN WRITING BY THE APPLICATION DEADLINE TO:

Marlon Lewis, Chair  
Department of Oceanography  
Life Sciences Centre  
Dalhousie University  
Halifax, NS B3H 4R2
